Parent and Family Engagement

1% Budget Survey/Input

September 20, 2018

5:15 p.m. -7:00 p.m.

Dear Parents and Family Members,

We value your input! As a parent of a child who receives Title I services in our school, you have the right to give input about how the school district budgets and spends its Title I Parent and Family Engagement money. Over the last few weeks, our school held various meetings with parents and family members to revise our school's Parent and Family Engagement policy for next school year.

We hope you had the chance to participate in one of these meetings. In the meetings, we discussed the following:

1. Parents and family members stated that they like having a district parent coordinator who is a liaison for them and provides family engagement opportunities at the school.
2. Parents and family members have asked for a place at the school where they could meet and learn how to better support their child's learning.
3. Parents and family members asked for more resources on how to help their child at home.
4. Parents and family members would like to have a workshop on helping their child with math.
5. Parents and family members did not find the 123 Vendor Program helpful to their child's learning. Many parents and family members did not participate in the program, and those that did found it hard to use.

We have \$30,000 in the Title I Parent and Family Engagement budget. Last year, we spent the money this way:

This year, given our parents' request to have a space where they could meet and learn how to better support their child's learning, we would like to create a family resource center at the school. Therefore, we would like to stop using the 123 Vendor Program and use that money towards supplies and materials for the family resource center. We would like to spend the Title I Parent and Family Engagement budget this way:

The vision of M. D. Roberts Middle School is to be a distinguished school of excellence through the integration of the arts in which all students are college and career ready and prepared to compete in a global society.
