Plan Revised October 15th, 2018

What is Title I?

M. D. Roberts Middle is identified as a Title I school as part of the Every Student Succeeds Act of 2015 (ESSA). Title I is designed to support State and local school reform efforts tied to challenging state academic standards to reinforce and enhance efforts to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement including strategies to support parental involvement. All Title I schools must jointly develop with all parents a written plan.

School Plan for Shared Student Achievement

What is it?

This is a plan that describes how M. D. Roberts Middle will provide opportunities to improve parent engagement to support student learning. M. D. Roberts Middle values the contributions and involvement of parents to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that M. D. Roberts Middle will support parent engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

M. D. Roberts Middle invited all parents to attend our annual revision meetings last spring to review and revise this Parent and Family Engagement plan, as well as the schoolwide plan, our school-parent compact and the parent and family engagement budget. Additionally, parent input and comments regarding this plan are welcome during the school year through an input and feedback meeting form. The form is posted on our school website for parents to review and submit feedback throughout the year. All parent feedback received during the year will be used to revise the plan for the next school year. We also distribute an annual survey online and by mail to ask parents for their suggestions on the plan and the use of funds for parental involvement. Parents can also give feedback during several parent meetings and activities during the school year.

Who is it for?

All students participating in the Title I, Part A program, and their families, are encouraged and invited to fully participate in the opportunities described in this plan. M. D. Roberts Middle will provide full opportunity for the participation of parents with limited English, families in transition, parents with disabilities and parents of migratory children.

Where is it available?

At the beginning of the year, the plan is included in the student handbook that is given to all students. As a reminder, we will mail the plan to all parents in August before the scheduled Open House event. The plan will also be posted on the school Web site. Parents can also retrieve a copy of the plan in the Parent Resource Center and front office at M. D. Roberts Middle.
